

The Valentine's Day Challenge has Arrived!

Valentine's Day is approaching and it is time for the Valentine's Day Challenge to begin!

Your Challenge: Design and build a container that will hold all of the valentines your classmates will soon be giving to you. Try especially hard to make a "green" container that does not cost any money. Reuse and re-purpose something.

Method: Be creative! Be unique! Try to use recycled materials from home (old cereal boxes, coffee cans, shoe boxes etc.). Use whatever materials you'd like (wrapping paper, foil, paint, fabric, ribbon, lace, buttons, beads, pipe cleaners, etc.). The sky's the limit! If you would like construction paper, just ask me, and I'll give you some.

Note! Be sure to design your container so you can retrieve your valentines without destroying it during our class party.

Due Date: Please bring your container on February 13th. You may bring valentines to pass out to your classmates on February 14th. Be sure that everyone is included on your class list. I look forward to seeing your creation!

Class List:

Girls:

- ☺ Sarai
- ☺ Jimena
- ☺ Paige
- ☺ Victoria
- ☺ Ms. Menge ☺

Boys:

- ☺ Sabastian
- ☺ Rey
- ☺ Wayne
- ☺ Connor
- ☺ Myles
